Committee Year End Report

In 2003-04 the Rules & Procedures Committee worked on the following:

1. Cleaning up the Constitution and By-Laws and getting them in a format that would be more legible on the SAC web page for all to have access.
2. Started working on the reorganization of the council seats to reflect the changes in the University structure.
3. Recommended and had passed the By-Law changes to add the web page and L-serve responsible to the Public Relations Committee.
4. Responsible for the 2004 SAC nomination and election.

There is still work to be done on the reorganization of the SAC, at this time we are waiting on a break down of the number of staff from HR.
