OSU ETS FIELD TRIP 2007!

In recognition of your hard work and diligence by continually keeping up with your planner, OSU Educational Talent Search invites you to attend our reward trip! Your day will include the following events: First we will tour the Oklahoma City National Memorial & Museum where we will experience the impact made by the 1995 bombing and will be inspired by the hope and healing of those affected. Then we will spend the remainder of the evening at the Bricktown Ballpark watching the Oklahoma Redhawks and enjoying some delicious Hideaway Pizza! All of this plus an OSU ETS summer T-shirt comes at no cost to you. It is our privilege to work with each of you throughout the school year, and this is our way of saying "thank you" for the effort you put into achieving academic success. The OSU ETS staff will be driving the vans and chaperoning the event. Please contact us at 1-866-748-7979 for more information or to RSVP.

Attention!

The vans will leave the school at the specified departure time. **NO EXCEPTIONS!**

All return times are approximate. They will depend on what time the game ends.
